Head Coach: Danny Skelton

Coach Skelton has been coaching for over 15 years and has had proven success at the high school and club levels. Coach Skelton began his coaching career at Patapsco HS where he led the team to a 2005 Baltimore County Championship. From there Danny built a legacy of success at Perry Hall HS, where the program won 3 Baltimore County titles, two 4A Regional Titles, and two 4A State Final appearances.

After 4 very successful season, Coach Skelton moved on to build a successful program at MIAA St. Paul's School and most recently served as the head coach for the varsity program at Dulaney HS where he led the program to a 4A Regional Title in 2019.

Additionally, he has numerous years of experience coaching at the highest level of club soccer in the US Development Academy for Baltimore Armour on both the girl's and boy's side. Currently Danny serves as the Girls ECNL Director of Coaching at Pipeline Soccer Club, where he recently helped win a USYSA National Championship with the Pipeline U17 team. Danny currently holds USSF National A license. He is currently coaching Pipeline SC 20010, 2008 and 2005/06 Girl's ECNL teams.

Raise your game to the next level!

Camp Details

Coach Skelton and his staff take pride in creating a camp environment and curriculum that aims to challenge players of all ability levels. During the camp players will be challenged with age-appropriate sessions/drills that will develop their technical and tactical abilities with the goal of developing more technically proficient players who are confident on the ball as well as enhance player's soccer IQ by challenging them to see the game at higher level ultimately allowing players to compete at a higher level.

Camp Curriculum (Including but not limited to)

Attacking Principles-

Technical:

- Ball Mastery/Dribbling
- Finishing
- Passing
- Receiving

Tactical:

- Movement without the ball
- Positional understanding
- Decision Making
- Individual/Group/Team tactics

Defensive Principles-

Technical:

- 1 v 1 Defending technique
- Speed of approach
- Angle of approach
- Zonal/group defending technique.
- Clearing

Tactical:

- Compactness
- Pressure/Cover/ Balance
- Pressing vs. Delay
- Tackle vs. Contain

Coaching Staff

Andrew Gillis

Returning for his second summer as a part of the TFP staff, Andrew Gillis provides a wealth of knowledge and experience. Andrew has worked as a Director of Coaching for multiple clubs in the Baltimore Area and he has had proven success coaching on the girl's side at all age groups.

Andrew had an incredible career as a player growing up in Baltimore. Andrew was an All-American player for Perry Hall High School and went on to have a very successful career playing at the NCAA Division 1 level at UMBC.

Coach Gillis is currently the head coach of the Pipeline 2011 Girls ECNL as well as runs our clubs technical finishing program.

Tom Durkin

Coach Tom is a new addition to the TFP staff this summer and we are thrilled to have him! Tom is currently the ECNL RL Director and head coach of the 2012 pre-ECNL, 2009 RL, and 2005/06 RL Girls teams for Pipeline Soccer club. Tom is a former GK but he has been coaching the game for over a decade at a very high level. He is currently the Girls' varsity coach at Bryn Mawr School where he continues to build a extremely competitive program.

Tom has years of experience working with players of all ages as he has organized and run the youth academy, PDA, at Pipeline
